

RESOLUTION TO SUPPORT FUNDING FOR THE COAST GUARD
ACADEMY TRACK AND ATHLETIC FIELD RENOVATIONS

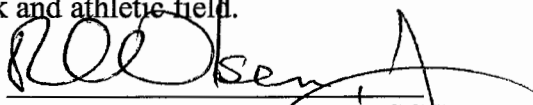

Whereas, the Coast Guard Academy has a proposed construction project for the renovation of the outdoor track and the renewal of the associated athletic field with synthetic turf; and

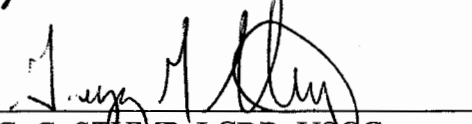

Whereas, the Board of Trustees strongly supports the Coast Guard Academy's efforts to improve its track and athletic field and the utilization of green space at the Academy; and

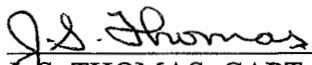

Whereas, installation of synthetic turf for the athletic field will provide a margin of excellence and increase the usability of the track and athletic field as well as make better use of green space throughout the Academy.

Therefore, the Board of Trustees strongly endorses the Coast Guard Academy's Sufficiency and Margin of Excellence needs for the renovation of the Coast Guard Academy's track and athletic field.
